We just wanted to thank you and your wonderful team for delivering a seamless and truly exceptional function on Saturday night. We were so impressed with the staff, food, venue and every part of The Boathouse Restaurant. All of our guests have been raving about what an unbelievable night our wedding was, and we have you and your team to thank for that. Nothing was a problem and everything was perfect - just as we had hoped. Thanks again.

"I just thought I would take this opportunity to tell you what a wonderful experience it was being at The Boathouse, and how fantastic all your staff were... Your Function Manager was fantastic (to say the least). Not only was she friendly, approachable, organised (thought of everything), reliable, but she went above what I considered to be her normal call of duties. For example, when I mentioned that I was unable to contact Splash, she went ahead and contacted them for me and I received a call from them only a few hours after I mentioned this. Not only was your Function Manager a breeze to work with, but the food was delicious (we've had so many compliments), the staff were professional and friendly, and the location of the boathouse made for some great photos. I honestly couldn't say a thing wrong about your venue, I will definitely recommend The Boathouse".
